Please submit a high resolution (minimum 300 x 300 dpi) photo of your horse for the program to Kathy Busch via email: katbuseq1@gmail.com or via USPS mail 28 N. 72nd St. Kansas City, KS 66111 by August 25, 2017. Changes or additions of horses are inevitable, but we need pictures and this information from you to meet the deadline for the printer of the program. Horses added to the Fantasia after the deadline won't be printed in the program, but will certainly be welcomed. If you miss the deadline, you may submit photo-copied papers with your information, your horse's information and a picture to be inserted into the program. Please contact Kathy Busch for the number of copies you will need to print out and bring with you.

We encourage owners of Al Khamsa horses to bring and present your horses at the Fantasia! Everyone attending will be interested in seeing them and the bloodlines that they represent, and hearing what you enjoy doing with them. To recognize your contribution to the convention by displaying your horse(s) we are offering a discounted convention fee. See the registration form at alkhamsa.org. See you there!

For questions regarding the Fantasia, contact Crystal Hardy via email: krachen@aol.com or call her at 937-304-0293.
